PediatricSimulationGames 3.0
Organizing Manual

Latina 10th – 14th of September 2019
Considering the success of the PediatricSimulationGames 2018, this year Sapienza University of Rome will organize the 2019 edition of the Games together with SIMEUP, SIP, AHA, the Permanent Conference of Pediatric Residency Programs Directors, ONSP and CEQUAM. The PediatricSimulationGames will become a fixed appointment in the educational program of Sapienza University of Rome.

The novelty of 2019 will be the participation of universities coming from other countries. On such occasion we will try and establish the essential points of the Mondial Games that will be held in Mexico City in 2020, during the International Conference of Pediatric Intensive Care.

The Games will be held in Latina, between the 10th and 15th of September.

The mood will be ‘learning to play’ and ‘playing to learn’.

*Learning to play:* in a friendly but highly technical competition, as in the last edition we will have an international jury composed of four major figures of the global Pediatric Emergency Care, that will handle the education debriefings at the end of each session. Even more judges could be invited according to the number of international teams participating.

*Playing to learn:* we know from the evaluation they completed that the residents started studying a long time before the event and have continued studying even after the Games, preparing for next edition in order to improve and compete.

To allow every team to play more, the Games will be composed of four rounds, playing for four days in a row. At the end of the rounds, there will be a final between the winners of each round. If there will be more than 32 teams, we will set up a new round every 8 new teams.

Application to the Games will be open from January 1st to February 25th according to the rules of this manual.

The 2019 Games will be patronized by several scientific societies, including the Pediatric AHA, SIAIP, SIMRI, SINP, SINEPE. Because of the new interest manifested, this year we will also have the American Heart Association and the European Society for Emergency Medicine.

Additionally, the Games will be patronized by the Municipality of Latina and the Province of Latina, that provided the structure in which the Games will be held, the Technical Institute ‘Vittorio Veneto’. The Association ONLUS nuovArmonia will also patronize the event.

International Organising Committee

Jury

The jury will be composed of four colleagues, renowned for their educational experience on simulations regarding the critical child management:

- **Prof Monika Kleinman:** Boston Children’s Hospital
- **Prof Allan R de Caen:** Stollery Children’s Hospital Edmonton
- **Prof Marc Berg:** Stanford University
- **Prof Vinay Nadkarni:** Children Hospital of Philadelphia
Teams composition

- Every team will be formed of six members to recreate a reanimation team. It would be convenient to have two addition members, to act as reserve.
- The members of each team must be Pediatric residents, completing their first residency program.
- Only one team for residency program can participate.
- Since the games will be held in September, residents finishing their program during July 2019 will be allowed to participate.
- Maximum 32 teams from Italy will be accepted.
- Maximum 16 teams from other countries will be accepted.

Application

Application must be sent by February 25th, at 23.59, completing this Google Form:

https://docs.google.com/forms/d/1JmstLvTIHhax7DXJ2DjibYpzWkPU-9WvbJZBCW5iXKg/prefill

Once completed the form, every team will have until May 15th to send a picture of the team and their logo to the following email account:

pediatricsimulationgames@uniroma1.it

or

riccardo.lubrano@uniroma1.it

Queries regarding the Games can also be sent to this account.

Costs

The participants will have to pay for the trip, accommodation and food.

The party for the last night and subscription of the Games will be free of charge for the participants, as it will be paid by the organizers.

Accommodation

We will soon communicate the partnerships that we are trying to organize with hotels of the city to favor teams’ accommodation.
Training sessions

(only for Italian teams)

Given the availability with Leardel Italy, each team will be able to attend the training sessions in the Bologna simulation center, SimLab. The SimLAB will be available every Tuesday, between January 15th and July 30th.

- The minimum number of participants is 6, to a maximum of 8 per day.
- The participants must be part of the same team, possibly attending the session with a tutor.
- The cost of the session will be between 150 € (6 participants) and 200 € (8 participants).
- The training session will be between 10.30am and 4.30pm with lunch break of 50 minutes.
- Subscription to the training sessions can be made contacting PentaEventi either on telephone number 0645491195 or on the email info@pentaeventi.com.
- The payment will be done directly with PentaEventi.

Because of the Pediatric Simulation Games, the SIP will give 20 € for each resident who is a SIP member, participating to a training session.

The address of SimLab is:

Laerdal Medical AS
Bologna, Via della Beverara 48/3a
40131
Telephone 051355587
20 minutes on foot from the train station (Via Carracci)

Textbook suggested

(purchasable at Laerdal)
Evaluation of the teams

The evaluation of the teams during the Games will be performed according to the AHA guidelines of the reanimation team. The methodology is detailed in the textbook ‘PALS AHA Instructor Manual’, (purchasable at Laerdal).

For tutors

In April, we will organize a reunion with the tutors to make clear the methodology of evaluation used during the Games in order to guarantee a good preparation to every participant.

26) Hyponatremia
27) Diabetic Ketoacidosis
28) Cranic trauma
29) Anaphylaxis
30) Hypoglicemia
31) Dehydration
32) Rare diseases in the ER
Preliminary program

**Tuesday: 10th of September**

- 09.00 -10.00  Participants welcoming
- 10.00 - 11.00 Drawing of the teams in the houses
- 11.00- 12.00 Authorities introduction
  - Rector of Sapienza University of Rome
  - Medical Chief Officer of Latina ASL
  - Dean of the Medical School of Sapienza in Latina
  - Director of the Residency Program of Pediatrics
  - Members of the jury
  - Mayor of Latina
  - Presidents of the Pediatric scientific societies
- 12.00 - 12.20  Lectio magistralis
- 14.00 - 18.00  Scientific conference on simulation

**Wednesday: 11th of September**

- 09.00 - 13.00  1st round of scenarios
- 14.00 - 18.00  2nd round of scenarios

**Thursday: 12th of September**

- 09.00 - 13.00  3rd round of scenarios
- 14.00 - 18.00  4th round of scenarios

**Friday: 13th of September**

- 09.00 - 13.00  5th round of scenarios
- 14.00 - 18.00  6th round of scenarios
- 21.00  Party

**Saturday: 14th of September**

- 09.00 - 13.00  7th round of scenarios
- 14.00 - 18.00  Semi-finals, finals
- 18.30  Winners proclamation and closure of the games
Games Organization

- After the drawing, each team will be assigned in a house

- In each house there will be 8 reanimation teams

- Each team will play 7 rounds during the 4 days

- For each victory, the team will get 1 point

- At the end of the 7 rounds, the team with the highest amount of points of the house will compete in the finals.
Organization model

I. Round
Team a - Team b
Team c - Team h
Team d - Team g
Team f - Team e

II. Round
Team b - Team f
Team e - Team d
Team g - Team c
Team h - Team a

III. Round
Team c - Team e
Team d - Team b
Team f - Team a
Team g - Team h

IV. Round
Team a - Team d
Team b - Team c
Team e - Team g
Team h - Team f

V. Round
Team c - Team a
Team d - Team f
Team e - Team h
Team g - Team b

VI. Round
Team a - Team g
Team b - Team e
Team d - Team h
Team f - Team c

VII. Round
Team c - Team d
Team e - Team a
Team g - Team f
Team h - Team b
Place of the Games

The games will be set in the ‘Istituto Vittorio Veneto Salvemini’ of Latina in Viale Mazzini 4, 04100 Latina.
On the website, it is possible to find the indications on how to reach the school.
