PediatricSimulationGames 4.0

Organizing Manual

Latina 5th - 10th September 2022

Regulations for prevention of the spread of Coronavirus infection

All participants are required to:

- Possess a valid green pass or other vaccination record
- Be ready to show proof of a negative COVID-19 swab test taken within 48 hours from the start of the games
- Regulations are subject to change based on updates by the Italian COVID-19 Scientific Committee

As part of the event, teams are required to submit a quasi-serious video of themselves singing by May 1st. Classical, opera, and other theatrical songs are appreciated, especially if sung by all the residents of the entire School of Pediatrics, and not only by the teammembers themselves. Judges of the jury will be selecting the best performance.

This year, as the control over the COVID-19 pandemic has been progressively improving, we hope it will be possible to resume our annual PediatricSimulationGames event for the Pediatrics residents.

Considering the success of the PediatricSimulationGames, this year Sapienza University of Rome will organize the 2022 edition of the Games. The PediatricSimulationGames will become a fixed appointment in the educational program of Sapienza University of Rome.

The novelty of 2022 will be the participation of universities coming from other countries. The Games will be held in Latina, between the 5th and 10th of September.

The mood will be 'learning to play' and 'playing to learn'.

Learning to play: in a friendly but highly technical competition, as in the last edition we will have an international jury composed of four major figures of the global Pediatric Emergency Care, that will handle the education debriefings at the end of each session. Even more judges could be invited according to the number of international teams participating.

Playing to learn: we know from the evaluation they completed that the residents started studying a long time before the event and have continued studying even after the Games, preparing for next edition in order to improve and compete.

To allow every team to play more, the Games will be composed of four rounds, playing for four days in a row. At the end of the rounds, there will be a final between the winners of each round. If there will be more than 32 teams, we will set up a new round every 8 new teams.

Application to the Games will be open from January 15th to 15th Mars according to the rules of this manual.

Jury

The jury will be composed of four colleagues, renowned for their educational experience on simulations regarding the critical child management:

- | | |
|--------------------------------|---------------------------------------|
| - Prof Monika Kleinman: | Boston Children's Hospital |
| - Prof Allan R de Caen: | Stollery Children's Hospital Edmonton |
| - Prof Marc Berg: | Stanford University |
| - Prof Vinay Nadkarni | Children Hospital of Philadelphia |
| - Amelia Reis. | Università di San Paolo del Brasile |

Teams composition

- Every team will be formed of six members to recreate a reanimation team. It would be convenient to have two addition members, to act as reserve.
- The members of each team must be Pediatric residents, completing their first residency program.
- Only one team for residency program can participate.
- Maximum 32 teams from Italy will be accepted.
- Maximum 16 teams from other countries will be accepted.

Application

Application must be sent from January 15th to 15th Mars, completing this Google Form:

<https://docs.google.com/forms/d/e/1FAIpQLSftjLVXLissIeziJdmxXZrEYRLxWtNyk8qOnafYp9xL4aLDg/viewform>

Once completed the form, every team will have until May 15th to **send a picture of the team and their logo** to the following email account:

riccardo.lubrano@uniroma1.it

Queries regarding the Games can also be sent to this account.

Costs

The participants will have to pay for the trip, accommodation and food.

The party for the last night and subscription of the Games will be free of charge for the participants, as it will be paid by the organizers.

Accommodation

We will soon communicate the partnerships that we are trying to organize with hotels of the city to favor teams' accommodation.

Training sessions

(only for Italian teams)

How to prepare for the Pediatric Games 2020?

- At the SimLab Laerdal in Bologna. Registration and payment takes place through PentaEventi, email info@pentaeventi.com ; tel. 06-5491195 - contact person Giada Chiari:
 - With your tutor, every Tuesday and Thursday from 10:30 to 16:30 with a 50-minute lunch break (max) in the months of June and July. The cost for this service is € 200.00 + VAT (6-8 people maximum, including tutor)
 - With the Laerdal tutor, every Wednesday from 10:30 to 16:30 with a 50-minute lunch break (max) in the months of June and July. The cost in this case will be € 680.00 + VAT (6-8 people maximum). Also in English.
- At your school in Italy. Information can be requested through laerdal.italy@laerdal.com
- Between March and June it is possible to rent the simulator and equipment for 2 consecutive days. The cost will be € 1,800 + VAT, transport and charges included.

Subscription to the training sessions can be made contacting PentaEventi either on telephone number 0645491195 or on the email info@pentaeventi.com.

The payment will be done directly with PentaEventi.

The address of SimLab is:

Laerdal Medical AS
Bologna, Via della Beverara 48/3a
40131
Telephone 051355587
20 minutes on foot from the train station (Via Carracci)

Textbook suggested

PALS AHA - PALS Provider Manual
(purchasable at Laerdal)

The pre-order for the book purchase may be submitted during the application process within the same Google Form. The pre-order requests will be communicated to Laerdal.

It is advisable to purchase the paperback edition of the book, which is available both in English and Italian (the English version is recommended).

Evaluation of the teams

The evaluation of the teams during the Games will be performed according to the AHA guidelines of the reanimation team. The methodology is detailed in the textbook 'PALS AHA Instructor Manual', (purchasable at Laerdal).

For tutors

In April, we will organize a reunion with the tutors to make clear the methodology of evaluation used during the Games in order to guarantee a good preparation to every participant.

Languages

English – Italian.

Timetable

	Time
Application	January 15 th - March 15th
chorus video shipping	by the 1st of May
Sending the team Logo and picture*	by May 15th
Beginnings of the games	5th September

* **Sending the video and the team logo to:** riccardo.lubrano@uniroma1.it

Games scenarios

- 1) Drugs intoxications
 - 2) Allergic reactions
 - 3) Respiratory arrest
 - 4) Respiratory failure
 - 5) Respiratory distress
 - 6) Pneumonia
 - 7) High airway obstruction
 - 8) Low airway obstruction (Asthma, Bronchiolitis)
 - 9) Central breathing disorders
 - 10) Hypovolemic shock
 - 11) Septic shock
 - 12) Cardiogenic shock
 - 13) Obstructive shock
 - 14) Cardiac arrest, asystole
 - 15) Cardiac arrest, PEA
 - 16) Cardiac arrest, VF
 - 17) Cardiac arrest, pulseless VT
 - 18) Stable tachyarrhythmia
 - 19) Unstable tachyarrhythmia
 - 20) Bradycardia
 - 21) Status epilepticus
 - 22) Seizures
 - 23) Hyperkalemia
 - 24) Hypokalemia
 - 25) Hypernatremia
 - 26) Hyponatremia
 - 27) Diabetic Ketoacidosis
 - 28) Cranial trauma
 - 29) Anaphylaxis
 - 30) Hypoglycemia
 - 31) Dehydration
 - 32) Rare diseases in the ER

Preliminary program

Tuesday: 5th of September

- | | |
|---------------|--|
| 09.00 - 10.00 | Participants welcoming |
| 10.00 - 11.00 | Drawing of the teams in the houses |
| 11.00- 12.00 | Authorities introduction |
| | Rector of Sapienza University of Rome |
| | Medical Chief Officer of Latina ASL |
| | Dean of the Medical School of Sapienza in Latina |
| | Director of the Residency Program of Pediatrics |
| | Members of the jury |
| | Mayor of Latina |
| | Presidents of the Pediatric scientific societies |
| 12.00 - 12.20 | Lectio magistralis |
| 14.00 - 18.00 | Scientific conference on neonatology |

Wednesday: 6th of September

- | | |
|---------------|------------------------|
| 09.00 - 13.00 | 1st round of scenarios |
| 14.00 - 18.00 | 2nd round of scenarios |

Thursday: 7th of September

- | | |
|---------------|------------------------|
| 09.00 - 13.00 | 3rd round of scenarios |
| 14.00 - 18.00 | 4th round of scenarios |

Friday: 8th of September

- | | |
|---------------|------------------------|
| 09.00 - 13.00 | 5th round of scenarios |
| 14.00 - 18.00 | 6th round of scenarios |

21.00 **Party**

Saturday: 9th of September

- | | |
|---------------|---|
| 09.00 - 13.00 | 7th round of scenarios |
| 14.00 - 18.00 | Semi-finals, finals |
| 18.30 | Winners proclamation and closure of the games |
-

Games Organization

- After the drawing, each team will be assigned in a house
 - In each house there will be 8 reanimation teams
 - Each team will play 7 rounds during the 4 days
 - For each victory, the team will get 1 point
 - At the end of the 7 rounds, the team with the highest amount of points of the house will compete in the finals.
-

Organization model

I. Round
